REVIEWS FROM PREVIOUS GUESTS

"WHAT A TRIP!

I very rarely write reviews as life gets in the way but on this occasion I felt I really needed to. It's not often that your expectations in life are met, let alone completely exceeded.

The trip itself was nothing short of exceptional from the planning, pre-trip information and gifts, through to the F1 experience. Bernadette was organised, communicative and involving from start to finish. The greatest achievement to note is that to me and the fellow guests, it all just happened seamlessly.

If you're a huge F1 fan you can fully immerse yourself in this, with the racing from your balcony or a short stroll to the F1 suite, stopping for a few pictures with F1 driver past and present who are also strolling around. If you're not, you can spend your time immersed in the spectacular that is the event either enjoying 5 star luxury or the non stop party that follows this race. You can also find the balance and do both.

If you have not done it do it, it's a fantastic experience and you only live once!"

"PEOPLE KEEP ASKING HOW MY TRIP TO THE ABU DHABI GRAND PRIX WAS...

...and I'm finding it very difficult to find an answer adequate enough to explain the once in a lifetime experience I have just returned home from.

I was absolutely blown away by the VIP, high-end aspects of the trip! Bernadette thought of every single detail and clearly strived for perfection to ensure her clients had a truly unbelievable experience.

By the end of the first day, the whole group felt like a big family and it seemed like we had all known each other for years! I put this down to a great group of people, but also to Bernadette's ability to put everyone at ease from the moment we all met.

Stepping through the door to our hotel room for the first time and seeing the incredible, luxurious room along with our very own balcony overlooking the track with a view of not 1, but 4 corners! Finding our grandstand seats and realising we were on the start/finish line and right opposite the McLaren, Ferrari, Red Bull & Mercedes garages! Sleeping in the same hotel as F1 teams, drivers and presenters and walking past them multiple times! The comfort of the Grandstand suite, with gorgeous food and beverages on tap the whole day, with very much needed air con and comfy seating. Being able to soak up every bit of atmosphere from the entire circuit and share the joy of the race with our group of F1 and motorsport enthusiasts"

Just wait until you have to answer the question "How was your trip to the Abu Dhabi Grand Prix?" I guarantee you won't find an answer worthy of what you experienced!
